SINCE 1938 SERVING THE INTERNATIONAL MARITIME TRANSPORT INDUSTRY

Agencia Marítima Robinson SACFEI is a family-owned company with a strong track record in the national maritime sector, providing port services and assistance to vessels arriving at **ports in Argentina and Uruguay.**

OUR VISION

To be a business role model, building strong relationships with our partners and clients, based on our core values:

- ✓ **Commitment.**
- ✓ **Professionalism.**
- ✓ **Integrity.**
- ✓ **Flexibility.**

MAIN ACTIVITIES

- ✳ Agents for Liner Vessels.
- ✳ Agents for Tramp Vessels and Cruises.
- ✳ Container operators.
- ✳ Logistics operators.
- ✳ Land transportation.
- ✳ Dry dock Vessel repairs.
- ✳ Loading and unloading of Vessels cargo operation.
- ✳ Cargo Storage in fiscal and non-fiscal depositions.

Our **Quality and Environmental Policy** ensures safe cargo transport solutions, **offering professional support**, competitive pricing, and the responsible use of resources.

Mercomar S.A. is a forwarding company founded in 1994 by the Robinson family.

Since the outset, it has focused on providing end-to-end solutions in freight transportation and international logistics services.

The experience gained over the years has enabled us to refine our offerings, adapting to the ever-evolving needs of the global market.

Our commitment is to provide comprehensive and tailored guidance for the transportation of goods by air, land, and sea.

Additionally, we offer a range of supplementary services, including **efficient product distribution, expedited customs clearance, cargo insurance** to ensure our clients' peace of mind, **customized packaging**, and **secure storage** in strategically located bonded warehouses.

**LEADERS IN FREIGHT
TRANSPORTATION AND
GLOBAL LOGISTICS SERVICES
BY AIR, LAND AND SEA**

MERCOMAR

• GENERAL CARGO LOGISTICS •

We design and coordinate international logistics solutions that are tailored to each client's specific needs.

Our global network of agents allows us to offer efficient and reliable **multimodal solutions**, strategically integrating land, air, and sea transportation.

We manage each operation end-to-end, providing continuous tracking and personalized assistance throughout **every stage of international trade**.

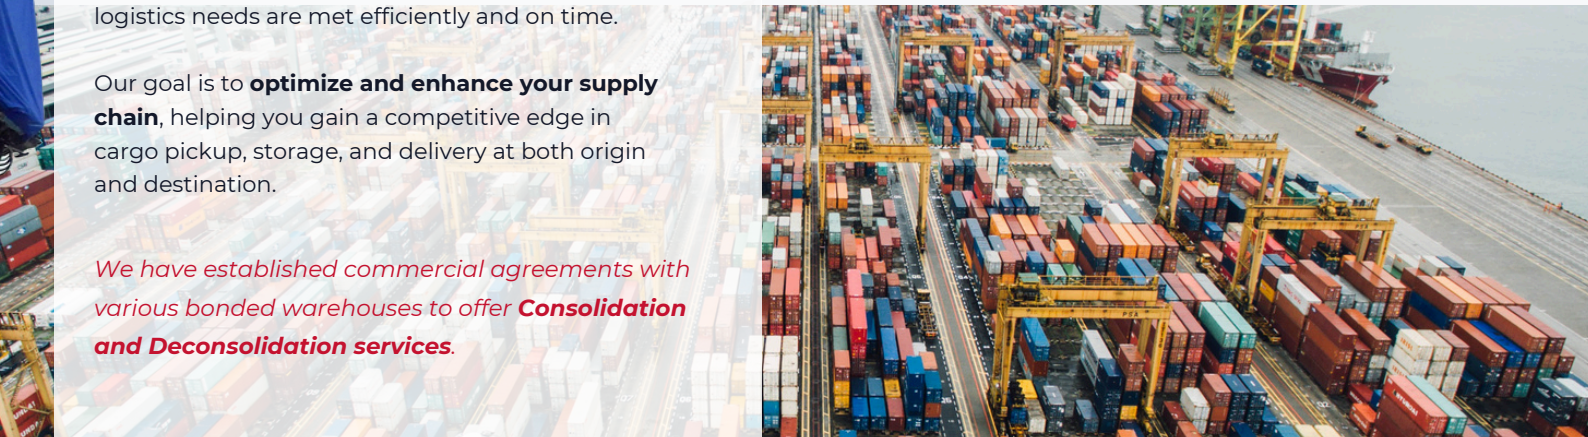

NETWORK

We maintain an **extensive network of agents** across five continents, giving us a presence in **over 250 terminals**, including both **seaports and airports worldwide**.

This broad coverage allows us to deliver high-quality services with global reach, ensuring that our clients' logistics needs are met efficiently and on time.

Our goal is to **optimize and enhance your supply chain**, helping you gain a competitive edge in cargo pickup, storage, and delivery at both origin and destination.

*We have established commercial agreements with various bonded warehouses to offer **Consolidation and Deconsolidation services**.*

MERCOMAR

• PROJECT CARGO LOGISTICS •

Project Cargo Logistics is a specialized division of Robinson Group, established in 2009 to provide comprehensive **solutions for project cargo and heavy lift transportation by air, sea and land.**

We focus on delivering customized services, tailored to the technical and logistical challenges that these types of operations demand.

With **over a decade of experience** and an approach grounded in responsibility and professionalism, we have participated in complex **operations for strategic projects across various industries.**

- ✧ Hydroelectric Projects.
- ✧ Wind Power Projects.
- ✧ Railway Equipment.
- ✧ Equipment for Oil & Gas Industry.
- ✧ Mining Industry Equipment.
- ✧ Disassembly and Assembly of Turnkey Projects.

We are the exclusive agents of **HOYER GLOBAL TRANSPORT**, a globally recognized **leader in the transportation of liquid cargo in isotanks and flexitanks.**

MERCOMAR

• TANK CONTAINER LOGISTICS •

At **Robinson Group**, we provide **integrated logistics solutions** that guarantee **secure, efficient, and professional cargo transportation.**

Our quality policy is founded upon three core pillars:

- ✓ Personalized attention
- ✓ High operational standards
- ✓ Strong cost-benefit ratio

This approach has led us to certify our Management System according to the ISO 9001:2015 and ISO 14001:2015 standards, ensuring standardized, reliable, and auditable processes at every stage of our services.

ENVIRONMENTAL COMMITMENT AND RESPONSIBILITY

We train, raise awareness, and engage all members of our organization, as well as our contractors, to act responsibly toward the environment and make efficient use of material and energy resources.

AIR DIVISION

**EXPERTISE IN INTERNATIONAL
AIR FREIGHT WITH PRECISION
AND GLOBAL REACH**

 Priority and Agility

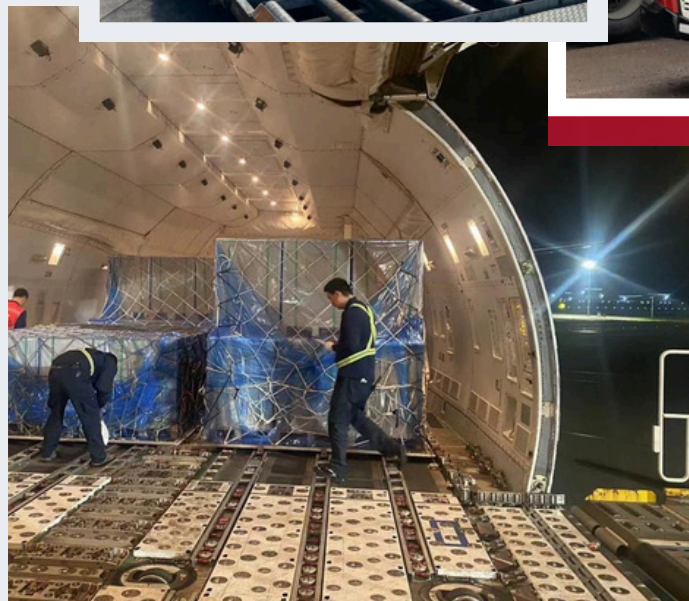

Air freight is the ideal solution for urgent, perishable, or high-value cargo. We coordinate each shipment with top operational priority, optimizing transit times and expediting customs procedures at both origin and destination.

 Global Coverage

Our international network spans over 250 airport terminals, enabling us to connect multiple destinations swiftly and efficiently, with real-time shipment visibility.

 Specialized Management

We provide customized services based on the type and complexity of the cargo. From pharmaceutical products to industrial spare parts, we ensure continuous tracking and full compliance with international regulations.

MERCOMAR

LAND DIVISION

THE RELIABLE AND EFFICIENT
SOLUTION FOR CARGO
THAT **TRAVELS BY LAND**

Reliability and Security

Our fleet is equipped with state-of-the-art technology to ensure cargo security throughout the journey. We operate under high standards, offering dependable land transportation across both national and international routes.

Global Coverage and Reach

We provide customized logistics solutions across Argentina, Uruguay, Paraguay, and Bolivia.

Flexibility and Personalized Service

We tailor our services to each client's needs, managing full or partial loads with specialized guidance. We guarantee timely deliveries and optimal conditions for every shipment.

LOGISTICS SOLUTIONS FOR SPECIFIC PRODUCTS AND CONTENTS

Logix S.A. is the youngest company of the group, specializing in **solutions for the transport and storage of liquid products and solid granulates.**

The equipment has been developed based on **international standards**, ensuring efficiency and safety in operations involving **food products, chemicals, and oil & gas industry.**

We measure our clients' satisfaction to continuously improve our processes, while complying with all the requirements of the Quality Management System.

SERVICES AND EQUIPMENT WE OFFER

- ✧ Transport and Storage of food and chemical products.
- ✧ Transport and Storage of liquefied gas at low and medium pressure.
- ✧ Transport and Storage of granular solid products.
- ✧ Storage Tanks for 20,000 liters to 600,000 liters.
- ✧ Mobile fuel Stations.
- ✧ Tanks for Diesel and Gasoline.
- ✧ Equipment for offshore and onshore oil operations.

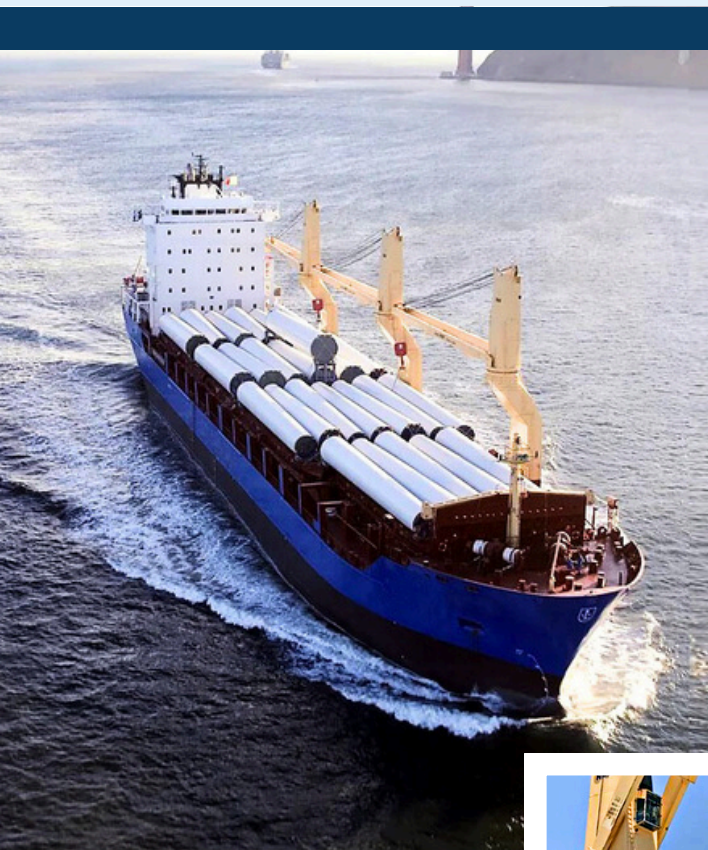

Logix is the local representative for **OEG OFFSHORE LTD** renting equipment for offshore and onshore operations in the Oil & Gas industry.

We are also the exclusive distributor of GES in South America, offering mobile fuel and lubricant dispensing equipment, as well as tanks for diesel and gasoline storage.

LEADING SHIP CHARTERING FOR **BREAKBULK AND PROJECT CARGO**

Robinson Fletamentos S.A. was founded in 1978 as the first Argentine ship broking company dedicated exclusively **to ship chartering services in Argentina and Uruguay.**

Currently managed by the Robinson family, the company specializes in handling **dry bulk and project cargo**, consolidating its position in the regional market.

Companies that trust us with their shipments include Tenaris, Ternium, Acindar, Techint, Minera Alumbrera, among others, as well as major international grain cargo operators and national and international freight forwarders.
